Digitised Photographs of Newtown

Acc 1642

/1

44 CDs of digitised photographs and postcards of Newtown and District. C19th-C21st

NB The last CD has a database of the catalogue of the images; to find the title of the image, note down the catalogue reference at the foot of the image, take out the CD, insert the last CD and open the X a, (Excel comma separated) file called 'NLHG Deposit'. With the cursor in the first column, click on 'edit', then 'find', and put in the catalogue reference number. That number will then be highlighted.
