Ordered

That the Order of William Evans and Richard Watkins two of his Majesty's of the Peace for the Borough of New Radnor made the fourth day of December 1800 touching the Removal of Philip Taylor, Elizabeth his wife Richard their Son aged about Six years John their Son aged four years and Thomas their Son two years and a half from the parish of Llanvihangele Nantmellan in the said Borough of New Radnor to the Parish of Llanvihangele Rhydithon be filed and the Parish of Llanvihangele Rhydithon Appealing thereto. It is Ordered upon hearing the Merits of the said appeal that the said Order of Removal be Quashed Subject to the Opinion of the Court of Kings Bench and that the case for that purpose be Stated as follows -

The Paupers after having gained a settlement in the parish of Llanvihangele Rhydithon Rented a Tenement in the parish of Llanvihangele Nantmellan at Lady Day 1800 at Ten Guineas a year from Lady day to Lady day; The Landlord agreeing to Allow Land Tax 5/4 and repair the Buildings which it was proved would require at least five pounds to do and was also to furnish a Load of Lime for the use of the farm (which was proved to be of the Value of Twenty Shillings at the Kilns and the Carriage which was worth at least five shillings more; The Landlord was also to furnish Wood for mending the fences it was also agreed that the pauper should Pay his Rent by Working for his Landlord at Seven Shillings A Week. At Lady day 1800 the pauper went to reside on 'His' Tenement and resided thereon till December 1800 when he was removed; after the pauper had taken possession of the farm he refused to perform any Work for the Landlord and in consequence thereof the Landlord did not perform his Engagement with respect to the repairs, the Lime or fences,

7

The Landlord understood that if he did not do what he had Engaged to do he would be Obliged to make an Allowance in the Rent in respect of the Lime and fences, etc. A former Tenant Proved that he had Rented the farm at Ten Guineas a year For the two last preceding years ending Lady day 1800 (the Landlord allowing Land Tax) but as a Bye Tack and not to reside upon - It was also proved that when the pauper took the
